Sunday June 13, 2010
Centennial Park
Cricket Grounds

Simply Cricket

Simple facts about cricket
By: Sheik Kadir

A cricket game is played on an oval ground between two teams consisting of eleven players each.

Cricket has two umpires that enforce the rules, judges, and make decisions.

Two scorers keep the score for both teams.

The ball's size is officially 9 inches in circumference and 5.5 to 5.75 ounces in weight.

The bat is made of wood and cannot be more than 38 inches long and 4.25 inches wide.

The cricket pitch is 22 yards long and 10 ft. wide. The bowling crease is 8 feet long and is as wide as the pitch. The condition of the pitch should be good and ideally should give an even bounce.

The wickets are comprised of three stumps, which are 28 inches tall and 9 inches wide with two bails on top.

Cricket is played for one or two innings depending on the type of match. The innings is over when all of the batsmen are out, the innings is declared, or the limit of overs or time is reached as was agreed by the two captains

There is a 10 or 20 minute break between innings, and breaks for tea, lunch and drinks as agreed by the captains, after which play continues.

The batting team scores a run when both batsmen cross and reach the opposite ends of the pitch without getting out.

If the ball goes over the boundary and does not bounce the batting team gets 6 runs; if it bounces they get 4 runs.

The team that gets the most runs is the winner. If they both get the same amount of runs it is a tie. If the game cannot be finished it is a draw.

Each over is 6 bowls long. The next over is bowled from the other end of the wicket.

The batsman is out:

"Bowled", if the ball knocks off the bails when it is bowled.

"Caught", if he hits a fly-ball and a fielder catches it.

"Run Out", if the ball is in play, he attempts to run and cannot get back to the safe area and the bails are knocked off.

"Leg Before Wicket", if he gets in the way of a bowl that would have hit the wicket.

"Stumped", if the wicket keeper knocks the bails off when the batsman is out of the safe area.

The team that has the most runs at the end of the innings are the winners.

Mayor

DAVID MILLER

A Message from the Mayor

It gives me great pleasure to extend a warm welcome to those participating in the Toronto City Cricket Club's 2010 Festival of Cricket.

Cricket, a game of bowling, is making a strong stand that it is a growing force in the sports world. It is an established team sport for several centuries and continues to grow in popularity here and around the world. It is a game that demands a great sense of discipline and teamwork and promotes community camaraderie and sportsmanship.

Sport played at any level is a vehicle with the power to unite and bridge all cultural, ethnic and social divides. I am always impressed with the unity and professionalism between players of team sports – it reflects our ability to overcome our differences.

On behalf of Toronto City Council, I congratulate the Club on promoting cricket in our community and for organizing this fantastic event.

Yours truly,

Mayor David Miller

President's Message

At the outset, I must thank all our Players, Volunteers, Sponsors and the City of Toronto for supporting the 2010 Festival of Cricket. The expansion of the League and Celebrations would not have been possible without support of all of the participants.

Cricket is not about who wins and who loses; it is about how the game is played!

The Laws of Cricket include the following:

Preamble

“Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captains.

“*The Spirit of the Game involves RESPECT for:*

- Your opponents
- Your own captain
- The roles of the umpires
- The game’s traditional values

“*It is against the Spirit of the Game:*

- To dispute an umpire’s decision by word, action or gesture
- To direct abusive language towards an opponent or umpire
- To indulge in cheating or any sharp practice, for instance:
 - (a) to appeal knowing that the batsman is not out
 - (b) to advance towards an umpire in an aggressive manner when appealing
 - (c) to seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one’s own side

And FINALLY...

“Violence

- There is no place for any act of violence on the field of play.
- The Spirit of Cricket is embedded in our values and guides us in our behaviors.

The Toronto City Cricket Club aims to promote the game of Cricket in our Community.

A Message from Councillor Adam Vaughan

As a lifelong cricket player, fan and Toronto City Councillor, it gives me great pleasure to welcome those participating in the Toronto City Cricket Club's 2010 Festival of Cricket.

Cricket has a long history around the world and continues to increase in popularity in Canada. The diverse communities of Toronto play a great role in showcasing a sport that promotes discipline, sportsmanship and community. The Toronto City Cricket Club, 250 members strong, has made the promotion of cricket in the Greater Toronto Area its mission.

Cricket is an important part of my life, one that I am now sharing with my young son. I am excited to see this year's expansion of the Festival of Cricket. I wish all the competitors best of luck and look forward to seeing you on the pitch.

Sincerely,

Adam Vaughan

Greetings from Ward 1 – Etobicoke North, future home of the Thackeray Park Cricket Ground at Kipling Avenue and Steeles Avenue West.

The community, the City of Toronto and many others have worked hard to make this cricket ground a reality. It will be a dynamic facility enabling our youth and other avid cricket players to play on a ground built to International standards. By its promotion of cricket, the Toronto City Cricket Club has helped heighten awareness and support of the game for fledgling groups like ours.

As someone who has become a strong supporter of the game of cricket which promotes excellence in sportsmanship, I am pleased to welcome everyone participating in the 2010 Festival of Cricket hosted by the Toronto City Cricket Club.

Toronto's strength is it's diversity with residents coming from all corners of the world. Etobicoke North is home to many from South Asian and Caribbean descent who are active cricket players and are delighted with the endorsement of cricket by the Toronto City Cricket Club.

I wish the participants all the best at this year's Festival of Cricket.

Sincerely,

Suzan Hall
Councillor, Ward 1 – Etobicoke North

William Blair
Chief of Police

File Number: [View Document](#)

[Message from the Chief of Police](#)

On behalf of the Toronto Police Service, I would like to extend a warm welcome to everyone attending the Toronto City Cricket Club's "2010 Festival of Cricket".

This exciting sporting affair provides a unique opportunity for players from Toronto's diverse communities to demonstrate their athletic skill in a friendly competition. Cricket continues to grow in popularity among students in Toronto's schools and in communities around the world.

This year marks the 25th Anniversary of the St. George's Society Cup and the 9th Annual Mayor's Cup. Competitions will be held for the Mayor's Cup, St. George's Society Cup, Mayor and Police Chief Trophy and the Member of Parliament Cricket Cup.

The Toronto Police Cricket Club will proudly participate in this exhilarating event again this year.

I wish to thank all participants for supporting the "Festival of Cricket" and best of luck to all competitors for a successful tournament!

William Blair, O.O.M.
Chief of Police

To Serve and Protect – Working with the Community

It's hard to believe that cricket was established nationally in Canada in 1892 with our first game played in 1785. Now that's a history!

On behalf of myself, the Excel Funds Management Players and Employees, I want to welcome everyone to an event that epitomizes all the best traits of sportsmanship, teamwork and friendship.

Cricket is a true melting pot of cultures proving that through the sport and beneath the surface, we are all the same. We share the basic values of trust, respect for playing within the rules, openness and an admiration for hard work. The result is these fundamental qualities are handed down from one generation to the next - to our children and their children. Otherwise how could the game have endured for so long?

Cricket also teaches us to deal with adversity and loss without recrimination, rather it imbues a desire to improve and to give credit where credit is due.

At Excel Funds, we share the same values as cricketers except that for us losing is not an option. We may get beaten occasionally, but over the long haul we expect to "Own the Emerging Markets Podium"

Good luck to all the teams and their players.

Enjoy your day to the fullest!

Toronto City Cricket Club

The St. George's Society of Toronto

Cricket is one of the most exciting games in the world and we would like to congratulate the Cricket Festival for making sure that excitement is part of Toronto. You have helped the sport flourish in our city, and encouraged its growth among a younger generation.

This year marks the 25th anniversary of the St. George's Cricket Cup Competition between The St. George's Society of Toronto and the Toronto City Cricket Club. We commend the organizers and the players on this remarkable achievement.

St. George's is the city's oldest charity and we have just celebrated our 175th anniversary. We've been bringing together people with an interest in things British for good fun, good fellowship and good works since 1834. Cricket is certainly a part of that.

Dear Friends,

On behalf of Ontario Cricket Association, it is with great pleasure that I am sending this message to congratulate the participants, competitors, volunteers and Toronto City Cricket Club, on their 9th annual "Cricket Festival" on June 13, 2010. This is a success story by itself and commands our total admiration.

With the multicultural and multi-ethnic fabric of Ontario, Cricket is a game that appeals to a big majority of its residents. They have either played it at some point of their lives or are exposed to the excitement and poise of this 'gentlemen's game'. Ontario Cricket Association, the governing body of Cricket, is well aware of this phenomenon and has a long history of promoting the game here. The popularity of the game in Ontario and for that matter in Canada, is at all time high. Tournaments like this, that are conducted in a professional manner, add to the popularity of the game that is watched by more than two billion people around the world.

On behalf of the OCA, all OCA member leagues and well wishers, Congratulations and Thanks to the Toronto City Cricket Club and its executives, for making this event, an annual part of every Torontonian's life. Please do keep up the good work.

With best wishes..

Mohan (*Mike*) Kendall,
Dated: April 12, 2010
President, Ontario Cricket Association.

KPMG

Sunny Skies in the Forecast!

KPMG is once again proud to support the Mayor's Cup and this year's **Festival of Cricket**, which is quickly becoming the premier event for cricket fans across the GTA.

While raising the profile of cricket to more and more Canadians, the tournament itself serves as a pivotal tool for engaging youth, embracing diversity, and building community—characteristics that embody the values held by KPMG. It also provides the opportunity for our professionals to do something they have a passion for while knowing that, through this, they can help to make a difference in the lives of many youths.

I'm looking forward to the matches and some healthy competition. Best wishes to all for sunshine, blue skies, and great pitch conditions. Enjoy and have fun!

March 11, 2010

A Personal Message from Hon. Navdeep Singh Bains

It is with great pleasure that I congratulate the Toronto City Cricket Club on hosting the 9th annual “Festival of Cricket” for the GTA community.

I wish to take this opportunity to recognize the hard work and dedication of all of the organizers of the Toronto Cricket Club. Clubs like this help make the GTA one of the most liveable regions in the country.

The Toronto City Cricket Club must be commended for contributing to Canada's mosaic by not only providing the South Asian community with an outlet for participation in sports, but also all Canadians with the opportunity to expand their knowledge of the sport of Cricket.

Please accept my best wishes for many more successful years of serving Canada's multicultural communities.

Sincerely,

Hon. Navdeep Singh Bains, P.C., M.P.

PRANYOG

Gateway to Healthy, Happy and Peaceful living

(As taught by Yog Guru H.H.Swami Ramdevji Maharaj)

Presented by: Dr. Gagan Bhalla

About Yog and Pranayam

(Breathing Exercises or Controlled Breathing)

In Sanskrit Yog means "Yuj" which means the act of joining, union, connections, or oneness.

Yog is an ancient Indian treasure and Vedic science that has lived through centuries to become a worldwide mantra for good health. It is a unique practice that links the body, mind and soul to achieve stress free living. It is also a state of internal peace and bliss which takes a holistic approach. It concentrates on breathing techniques called Pranayam and Asanas or postures for body flexibility and alignment; and creating a higher consciousness level by harmonizing the body and mind for stress free living.

Ancient Indian art of Yog has been lost in the west. Yog is merely considered as an exercise in the west. Yog is much more than exercise, it is an art and science and a complete philosophy of life in itself. Yog is a gateway to self-realization and path of inner growth. Yog can be used effectively for self healing and self discipline.

Reasons to try "Yog for Life!"

The health and fitness benefits of yog have long been reported by practitioners and are now being confirmed by scientific research. By giving yog a try you will discover what it can do for your body, your mind, and your soul.

Yog brings in positive changes at physical, mental and spiritual levels.

The physical benefits: Yog can contribute to create a toned, flexible and strong body. It helps improve respiration, energy, vitality and helps to relieve pain. It also improves athletic performance and helps you look and feel younger.

The muscles become healthy, blood circulation improves, more oxygen is being used, which purifies the blood, and allowing polluted substances to evacuate through sweat. The body feels lighter.

The health benefits: Regular practice of Yog and Pranayam provides relief in various ailments. Research and innumerable case studies shows that Yog and Pranayam helps in managing Allergy, Acidity, Arthritis, Asthma, Backache, Blood Pressure, Carpal Tunnel Syndrome, Cervical Spondylitis, Cholesterol, Constipation, Fatigue, Weakness, Depression, Diabetes, Gastric Disorders, Headaches, Heart Diseases, Obesity, diseases pertaining to kidney, Migraine, Sciatica Pain, Sinus problems, etc. Pranayam can be introduced during pregnancy classes.

The mental benefits: Encourages positive thoughts, self-acceptance, and self-confidence. It also benefits people psychologically and helps them to reduce anxiety and stress and helps to relax and develop better coping skills. The mind becomes quite, stable and tranquil so that you can focus your energy where you want it to go. It encourages positive thoughts, self-acceptance and self-confidence along with a sense of contentment and develops enthusiasm. Conditions like depression are relieved. Freedom from negative and harmful mental conditions like fear, anger, greed, arrogance will be achieved and the mind develops the habit of positive and constructive thinking. Besides, Pranayama practice improves the functions of the brain cells with the result that memory and observation improves, making it easy to concentrate and meditate.

The spiritual benefits: Promotes interdependence between the mind, body and spirit. Yog builds awareness of the body, feelings, the world around and the needs of others and empathy with nature.

Some Special points pertaining to Yog & Pranayam: There is no downside to relaxation/breathing techniques, once the method and timing of doing Pranayam is learned properly. Breathing Yog requires no adherence to any religious philosophy and is not a religion...in fact one might say that it is an umbrella, under it and all around yog contains all the worlds' religions, belief systems and philosophies.

Yog can be performed at home and at ease in your family room with no equipment needed and at no cost. Yog can be practiced while sitting on the floor, while sitting on a chair or while lying down. People that can't do the regular exercises for any reason can do the breathing exercises – Pranayam.

For more information:
<http://www.divyayoga.com/>

For FREE Pranyog Classes please call

Dr.Gagan or Uma Bhalla: 905-608-1993.

Our heartiest wishes for everyone's happiness that brings peace in an individual and in turn the whole world. Just follow this simple formula...

Life is a challenge, meet it.

Life is sorrow, overcome it.

Life is a struggle, accept it.

Life is a tragedy, confront it.

Life is a mystery, unfold it.

Life is a duty, perform it.

Life is a game, play it.

Life is a song, sing it.

Life is bliss, taste it.

Life is love, enjoy it.

Life is a dream, realize it.

Life is beauty, worship it.

Life is a promise, fulfill it.

Life is a journey, complete it.

Virtuous thoughts and deeds will give strength for all of the above.
